| SP-007 | Quality Manual              | 32.0    | Changes due to the new standard for accreditation (ISO/IEC 17065:2012):  
  - Handling of Disputes no longer described.  
  - The purpose of Complaints and Appeals adjusted. Only Complaints and Appeals regarding the certification activities are handled.  
  - The Senior Executive is now responsible to approve decisions about appeals.  
  - The purpose of the Scheme Advisory Committee has been adjusted.  
  - Related Body changed to "Separate Legal Entity"  
  - Some adjustments in the description of the relation to FMV.  
  - Risk analysis concerning impartiality added. Description of the impartiality agreement with the staff updated.  
  - New procedure for documenting versions of the scheme in certification reports. |
| SP-008 | Charges and Fees            | 16.0    | Extra fee for addition rounds of TOR removed.                                                                                                                                                           |
| SP-070 | Conditions for use of trademarks | 16.0   | Instructions for SOGIS Certificate Mark added                                                                                                                                                         |
| SP-103 | Conditions for use of trademarks | 10.0   | Updated to reflect the membership in SOGIS Updated to satisfy the requirements of the new standard for accreditation (ISO/IEC 17065:2012)                                                                |
